

New heart, New mind, Called to hope

Lyrics and music : Daniel PRISS

A

New heart, New mind, Called to hope

New heart, New mind, Called to hope

F#

You can be a rich girl

You can be a poor girl

You can be a black girl

You can be a white girl

New heart, New mind, Called to hope

New heart, New mind, Called to hope

You can live in Singapore

You can live in Mozambic

You can live in Palestine

You can live in Taiwan

New heart, New mind, Called to hope

New heart, New mind, Called to hope

You can be a man of peace

You can be a man of war

You can be a man of fear

You can be a man of hope

New heart, New mind, Called to hope

New heart, New mind, Called to hope

Let us drop our fears

The weapons will be getting down

Let us share His love

His Spirit is spreading down

Our hearts, our minds will be called to hope
